To The Secretary to the Government of Madras,

Education and Public Health Department.

Sir,

I have the honour to forward herewith for orders of Government a copy of petition dated 16-4-41 received from Sanitary Inspector Sri. M. Viswanadha Rao of Mangalore Municipality together with a copy of the remarks of the Commissioner thereon requesting for a reconsideration of the orders of Government in Memorandum No. 2568-1.E. dated 24-4-40. G.O.No. 3526 P.H. dated 3-8-40 quoted by the petitioner in support of his request to count his service from the date of the last fixation of his pay on 1-1-34 up to 1-1-35 for increments in the new scale adopted by the Municipal Council with reference to Government orders will not help him as the concession in the said G.O. is restricted to counting of service from 1-1-35 for increments in the scales of pay fixed by Government after that date. But the scale of pay of the petitioner prior to 1-1-35 fixed with reference to G.O.No.1391 P.H. dated 24-6-33 was the same as that recommended by Government in G.O.No.2884 P.H., dated 17-12-34 for adoption by Municipal Councils, and as (J)

such

such his service in the old scale from 1-1-34 to 31-12-34 may be allowed as a special case to count for increment in the scale of pay (same scale) which was adopted subsequently from 1-1-35.

I have the honour to be,
S ir, -
Your most obedient servant,

for

Director of Public Health, Madras.

Enclosures.

Copy of Petition dated 16-4-41 of M. Vishwanatha Rao, Sanitary Inspector, Mangalore Municipality to the Director of Public Health, Madras through the Municipal Health Officer and the Commissioner Mangalore Municipality.

Being very highly aggrieved by the Commissioner's order L.Dis.No.11306-40 dated 23-1-41 I beg to further represent as follows for favourable and sympathetic considerations.

1. The Municipal Health Officer's order R.Dis.H.1. 533-40 dated 13-8-40 communicating to me copy of the Govt. Memo.No.2568-E1/40-2, dated 24-4-40 ordering that my services as Sanitary Inspector from 1-1-34 (date of appointment) to 31-12-34 do not count for increment in the revised scale of pay is far from fairness and equity

2. As for the matter of fact Government have been fixing the scales of pay of the Sanitary Inspectors since 1933 in the following Government Orders.-

G.O.No.1391, P.H., dated 24-6-1933 recommending to the Municipal Councils for adoption.

G.O.No.2884-P.H., dated 17-12-34 recommending to the Municipal Councils for adoption.

G.O.No.646-P.H., dated 10-3-37--Statutory fixation.

G.O.No.2466-P.H., dated 7-7-38--Statutory fixation.

The Mangalore Municipal Council had adopted the scales of pay prescribed in all these Government Orders from time to time including the one recommended in G.O.No. 1391 P.H., dated 24-6-33. It may be noted that the scales fixed in all these Government orders were almost identical (and biennial) with one another so far as my pay is concerned. But as the scale was being refixed every time, and as the service in the new scale alone was to be counted for increment in that scale, the statutory period of two years for earning the increment in the usual course of events had to be extended to the detriment of some of the subordinates in general and myself in particular.

3. No doubt the Government in their order No.3290 P.H., dated 15-9-39 directed that as the two scales referred to in G.O.No.646.P.H. dated 10-3-37 and G.O. No.2466 P.H., dated 7-7-38 were fixed by the Government and as the difference between them is slight, the Sanitary Inspectors would be permitted to count their period of service between 1-4-37 and 1-7-38 (the two different dates fixed in the said two Government orders for bringing the respective scales into force) for earning the next increment.

4. And again, however, in Memo.No.32371-4:E.1.P.H. dated 30-10-39 Government were pleased to direct that the orders in G.O.No.3290 P.H., dated 15-9-39 shall be applied also to those Sanitary Inspectors whose pay had been fixed with reference to G.O.No.2884-P.H., dated 17-12-1934.

5. The above concessions seem to have been shown by Government presumably on the representations of some of the Municipalities about the hardships caused to some of the subordinates consequent upon the refixing of the scales every now and then.

6. Further, the above concessions were shown by the Government only in the case of the subordinates whose scale of pay was fixed with reference to G.O.No.646 P.H., dated 10-3-37 and 2884 P.H. dated 17-12-34.

7. The fact that the Mangalore Municipal council had fixed my scale of pay as ~~x~~ far back as 7-8-33 as per recommendations of the G.O.No.1391.P.H., dated 24-6-33 seems to have been ignored. My scale of pay was fixed as Rs:55-5/2-110 with effect from 1-1-34 as per the above G.O. and as such I was allowed to get my increment on 1-1-36, since the scale of pay fixed in G.O.No.1391.P.H. dated 24-6-33 and in G.O.No.2884 P.H. dated 17-12-34 were biennial and identical and since the adoption of these scales of pay by the Municipal council is only a reiteration of the aforesaid scale. This grant of increment was audited and found to be in order and I was enjoying this increment till 1-1-40, when to my disappointment this increment ~~xxxx

old scales, and the one prescribed in G.O.No.2466 P.H., dated 7-7-38 as revised scale and it was ordered that the services in the old scale only were to count for increments in the revised scale which is an anomaly.

11. The scale that was existing even prior to the introduction of the old scales referred to above seems to have been completely lost sight off, whereas in the case of the general establishment it has been duly considered. The scale prescribed in G.O.No. 1391 P.H., dated 24-6-33 which is actually older than any of the scales prescribed in the subsequent G.Os. should have been reckoned as the old scale. Therefore the general principles of fixing the pay of incumbants enunciated in G.O.No.3526 P.H., dated 3-8-40 may be kindly extended to me to the extent that the old scale mentioned therein should also be the one prescribed in G.O.No.1391 P.H. dated 24-6-33 in addition to the subsequent G.Os.namely 646 of 1937 and 2884 of 1934 since it would never be the intention of the Government to go back every time to the minimum of the fixed scale of pay, each time the scale of pay was revised and refixed. It is on this principle, I presume, that the Government in G.O.No.4294 L.A., dated 19-12-40 gave a clear ruling in the case of the District Board Staff that service since the date of the last increment in the old scales of pay be counted towards the increments in the new scales and that the respective dates of increments be revised accordingly on the analogy of the concession in G.O.No.3526-P.H. dated 3-8-40. It therefore follows that G.O.No. 3526 P.H. dated 3-8-40 has superseded the previous orders contained in the Govt. Memo.No.2568 E.1.P.H. 40-2, dated 24-4-40 and that my service in the old scales from 1-1-34 should be counted towards the increments in the new scale and that my dates of increments be revised as follows.

I increment on 1-1-1936.

II increment on 1-1-1938.

III increment on 1-1-1940

Next increment on 1-1-1942

12. The principle underlying the concession shown by the Government in G.O.No.3290 P.H., dated 15-9-39 Memo.No.32371-4.E.1.P.H., dated 30-10-39, Circular No.D.Dis.36076-40 dated 18-9-40 of the Inspector of the Municipal Councils and Local Boards and G.O.No. 4294 L.A. dated 19-12-40 is clear that the Government do not want to cause hardships to any of the subordinates and be fair and just to one and all.

I therefore beg to request that on an impartial and sympathetic view of the above facts the Director of Public Health may be pleased to consider my case favourably and grant me the outstanding biennial increments with effect from 1-1-34 on the analogy of the concession extended by the Government in the case of the general establishments and the District Board staff explained in para 11 and 12 above.

Copy of Endorsement N. Dis.1402-41 dated

dated 18-4-41 of the ~~District~~ Municipal Health Officer, Mangalore.

Forwarded for favour of sympathetic consideration.

Copy of Endt. L. Dis.3977-41 dated 30-5-41 of the Commissioner, Mangalore Municipality.

Forwarded to the Director of Public Health, Madras.

2. The pay of the Sanitary Inspector was fixed in accordance with the letter L.F.No.7 dated the 13th January 1941 from the Assistant Examiner of Local Funds Accounts, Salem, copy enclosed.

3. The Sanitary Inspector has lost the service put in by him prior to 1st January 1935 but the Government in their Memo.No.2568 E1-40-2 dated the 24th April 1940 declined to grant him any relief. The Sanitary Inspector now relies upon G.O.No.3526 P.H., dated 3-8-40, but it will not help him as will be clear from the Asst. Examiner's letter dated 13-1-41 referred to in paragraph 2 above. This is a case for sympathetic consideration by the Government and the Director of Public Health may kindly recommend his case for consideration by Government.

Ref.-Your letter B.3 No.11306-40 dated 22-11-40.

As Government directed in para. 3 of the G.O. quoted above that the service since the date of the last increment in the old scale should count towards the first increment in the new scale, the service from 1-1-34 to 31-12-34 cannot be admitted for this purpose and the Sanitary Inspector's pay should be allowed as follows.-

Rs.55--0--0 from 1-1-1935.
60--0--0 from 1-1-1937.
65--0--0 from 1-1-1939.

Sanitary Inspectors - Local Bodies - Revised scale of pay of Rs 55-5/2-110 -- Recommended for adoption.

Order :-No.1391-P.H.dated 24th June,1933.

Sanitary Inspectors employed by Local Bodies possess the same qualifications and have the same responsibilities as the Health Inspectors of the Madras Public Health Subordinate Service and their scales of pay should therefore correspond to that of the Health Inspectors.In connection with the general revision of the scales of pay of Government servants, the scale of pay of future Health Inspectors has been fixed at Rs 55-5/2-110.The Government have had under their consideration the question of commending to the local bodies for adoption a suitable revised scale of pay for sanitary inspectors.They now recommend that the scale of pay of sanitary inspectors should be fixed at Rs 55-5/2-110.All local bodies are requested to adopt this uniform scale of pay.

Order:-
No.3290,P.H.,dated the 15 th September 1939.

In G.O.No.646,P.H.dated the 10th March 1937 the scale of pay of sanitary inspectors under the Municipal Councils was fixed as Rs 55-5/2-110 from 1-4-1937.Subsequently in G.O.No.2466,P.H.,dated 7-7-1938,a new scale of pay,Rs 55-5/2-85-4/2-105 has been fixed for these sanitary Inspectors from 1-7-1938.The Commissioner of the Tellicherry Municipality enquires whether a sanitary inspector whose pay was Rs 75/in the scale laid down in 1937 and also in the new scale fixed in the Governmant order of 1938,may be allowed to draw his next increment on 1-4-1939 or whether he should wait till 1-7-1940.Under G.O.No.4481,L.A,dated 9-11-1938,service in the new scale alone should count for increment in that scale.In the case referred to by the Commissioner the sanitary Inspector should ordinarily be allowed to draw his increment only from 1-7-1940.As the two scales referred to above were fixed by the Government and as the difference between them is slight,Sanitary Inspectors drawing pay in the scale fixed in 1937 will be permitted as a special case to count their period of service between 1-4-1937 and 30-6-1938 for purposes of calculating the period of two years required for earning the next increment.A few illustrations showing when the increment should be allowed is appended to this order .

2.The same considerations will apply mutatis mutandis to sanitary inspectors under District Boards.

G.O.No.3526,3rd August 1940.

Establishment-Public Health-Local bodies-Counting of service in the old scale for purposes of increment in the sew scale-orders passed.

Read the following papers:-

G.O.No.2884,P.H.dated 17th December 1934.

G.O.No..646,P.H.,dated 10th March 1937.

G.O.No.2466,P.H.,dated 7th July 1938.

G.O.No.648.P.H.,dated 22nd February 1939.

Order--No.3526,P.H.dated3rd August 1940.

While fixing scales of salaries,etc.payable to officers and servants in the Public Health establishments under the contril of th local bodies in this presidency the Government enunciated the follow ing general principles for observance by local bodies in fixing the pay of incumbents concerned in the new scale of pay:-

If the existing pay of an incumbent conformed to any stage in the new scale of pay,it should be fixed at that stage.If the existing pay of an officer or servant exceeded any stage in the new scale of pay,his pay should be fixed at the next stage below that pay,and he should be given personal pay equal to the difference,the personal pay being absorbed in the next increment.If the existing pay exceede the maximum of the new scales of pay,it should be fixed at the -- maximum.

The same principle was to be observed when the scales of pay were modified.In accordance with this principle an incumbent should wait for at least two years to earn his increment in the new scale, the increment in the new scale being only biennial.

2. Cases have been brought to the notice of the Government where the above principles caused hardship to certain incumbents.Such hardship was caused to the Sanitary Inspectors and orders were

issued in G.O.No.3290,P.H.,dated 15th September 1939,allowing the sanitary inspectors to count their period of service on the old scale of pay prescribed in G.O.No.,646-P.H.dated 10th March 1937, for increments in the revised scale fixed in G.O.No.2466.P.H.,dated 7th July 1938.

3. The Government consider that a similar concession should be extended to all services in the Public Health establishment under local bodies.They accordingly direct that service since the date of the last increment in the old scale ~~shall~~ should count towards the first increment in the new scale.
